### **Alfa Romeo: a passion for performance.**

With a record that stretches back almost 100 years, Alfa Romeo is one of the most successful makes in motorsport history, numbering legendary names like Nuvolari, Fangio and even Enzo Ferrari among its drivers. Alfa Romeo has claimed 11 Mille Miglia races, ten Targa Florio, four Le Mans 24 Hours, two Grand Prix world championships and three sports car world championships, along with many national and European touring car championships. The same performance focus can be found in its current range of road cars...including the Alfa 147 Ducati Corse.

### **Ducati: following its own line.**

From the company's humble 'Cucciolo' bike of 1946 to today's 200+mph Moto GP Desmosedici has been a long journey, and Ducati has steadfastly taken its own route to the top. The company made the desmodromic valve system its speciality, winning the Imola 200 in 1972 with Paul Smart on a desmo V-twin Ducati 750.

Since then Ducati has claimed 14 World Superbike Championships and in 2007 surpassed even that achievement, winning the Moto GP World Championship with Casey Stoner. Today, enthusiasts throughout the world recognise Ducati as the pinnacle of high-performance on two wheels.

Italian tradition in its DNA. Racing passion in its heart.  
The Alfa 147 Ducati Corse represents the meeting-point of  
the performance car and the world of the superbike. Born on  
the track, but equally at home on the road. For those who  
choose to live faster.

170 horsepower catapults the Alfa 147 Ducati Corse from 0 to 62mph in just eight seconds. Eight of the most exciting seconds of your life. To switch between smooth responses and a more aggressive power delivery, simply touch the Sport button.

The Alfa 147 Ducati Corse features a new diesel engine that combines performance, responsiveness and improved fuel economy. 330 Nm of torque is available from as little as 2,000rpm; a maximum output of 170 horsepower at just 3,750rpm guarantees maximum driving pleasure. Whatever the conditions, you can rely on the Q2 system's class-leading handling and roadholding to keep you safely on track.

Responsiveness, precision, reliability. The Q2 system, high quadrilateral suspension and advanced electronic driver aids work together to maximise driving pleasure.

Intelligence meets soul – a combination reflected in every last detail, inside and out. Built by people who are passionate about driving, for people who are passionate about driving.

AIRbag

The Alfa 147 Ducati Corse is unique among performance hatchbacks. Not because it has no rivals. But because it has something that they don't.

The Alfa 147 Ducati Corse has everything an enthusiast could wish for: performance, safety, and incredible handling. A pleasure to be enjoyed on every journey, and on any kind of road.

## Alfa Romeo ownership.

### Our commitment to your satisfaction

We want you to be as delighted with our service as you are with our cars, and a commitment to customer satisfaction is part of our Customer Charter.

### The Alfa Romeo commitment covers:

Making your needs our priority: our staff will deal with you at all times in a courteous and professional manner. We will work around your personal and professional commitments to give you the minimum of inconvenience.

### Caring for your Alfa Romeo:

We will treat your Alfa Romeo as if it were our own, and keep you informed every step of the way when working on it.

### Listening and learning:

We want and value your opinion of our service and will learn from any feedback you give us.

We also believe it is important to stay in contact with you and will, subject to your agreement, telephone you from time to time to ensure you are happy with your Alfa Romeo and the service you receive.

### Fixed Service Costs

All Alfa Romeo dealers operate a Menu Pricing programme that guarantees fixed service and maintenance costs with no hidden extras. The price you see is the price you'll pay unless you have given your consent for further work to be carried out.

### 3 year Alfacare Dealer Warranty

For your peace of mind, all Alfa Romeo UK cars are covered by a 3 year unlimited mileage warranty including parts, materials and labour.

This comprises a 2 year unlimited mileage Manufacturer's Warranty plus an additional 1 year unlimited mileage Dealer Warranty. For full terms and conditions please refer to your Alfa Romeo Service and Warranty booklet.

### 8 year Anti-perforation Warranty

Any perforation of the bodywork due to corrosion will be replaced free of charge during the first 8 years (subject to regular inspections).

### 3 year Paintwork Warranty

In the unlikely event of any paintwork defects, due to faulty materials or manufacture, we will rectify these free of charge during the first 3 years.

## The Cloverleaf – a symbol of motoring excellence.

Alfa Romeo driver Ugo Sivocci carried a lucky four-leafed clover symbol on the deep red bodywork of his Alfa Romeo RL as he lined up for the 1923 Targa Florio. It must have worked...because he won. Ever since, the cloverleaf has symbolised the sporting heart of Alfa Romeo.

As a member of Cloverleaf Club you'll enjoy exclusive access to events, track days and limited edition merchandise, as well as receiving the quarterly Feel UK club magazine. There's also a members-only Cloverleaf Club website, offering the chance to upload and download Alfa Romeo pictures and videos, with the latest Alfa Romeo news and a lively members' forum for discussions and debate with fellow-enthusiasts. Membership is normally £70 a year– but as a Alfa 147 Ducati Corse owner you'll get three years free membership.
