The new Alfa 147 TI Special Edition

Discreet and exclusive badging lets you know that even by Alfa Romeo standards, the Alfa 147 TI Special Edition* is something rather special. And although it includes nearly £2,000-worth of extras over the already lavish specification of the Alfa 147 Lusso, you won't pay a penny more for it.

*Available in limited numbers whilst stocks last.

More performance

Whether you choose the 3-door or the 5-door version, 1.6 Twin Spark or 1.9 JTDm 16v, you'll enjoy outstanding performance plus the additional grip and feedback of sports suspension and unique TI alloy wheels with low-profile tyres. So you can turn heads while gripping bends.

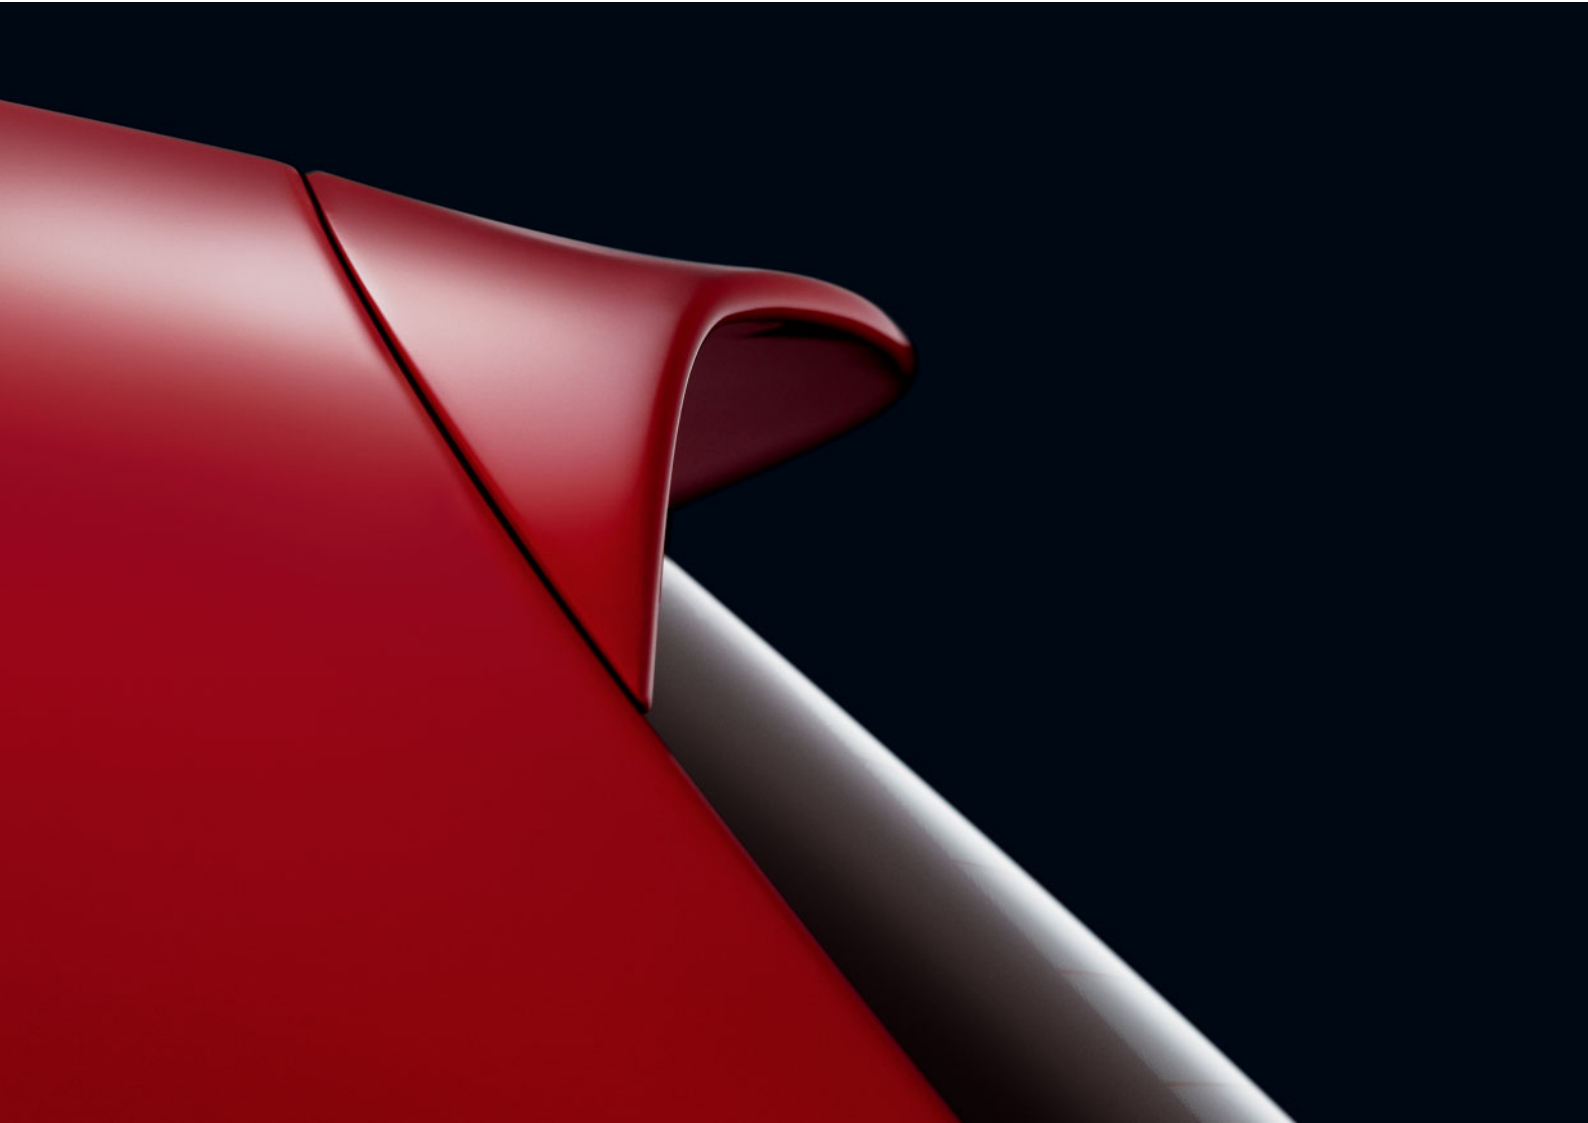

More equipment

The Alfa 147 Lusso is already one of the best-equipped sports hatches you can buy. But with the Alfa 147 TI Special Edition, you'll get the Lusso specification plus unique 17" alloy wheels, rear spoiler, sports suspension, leather interior and rear parking sensors. And yet you just pay the same price as the corresponding Lusso model.

More exclusivity

The Alfa 147 TI Special Edition is available in Alfa Red with the option of Metallic Navona Grey or Metallic Black. So it will remain as exclusive as it is exceptional. Contact your Alfa Romeo Dealer today for a test drive. It could be everything you're looking for in a sports hatch...and more.
