

GIULIA

A NEW ERA A NEW PARADIGM A NEW ALFA ROMEO

Alfa Romeo has always taken a unique and totally original approach to designing its cars: it is the point of convergence between design and passion, between a love for the most cutting-edge technology and a strong instinct to provide an emotive driving experience. Today Alfa Romeo is writing a new chapter in its history, introducing a future where once again the driver is at the centre of the design. The All-New Alfa Romeo Giulia. Pure Alfa Romeo.

CHANGE THE HORIZON WITH A NEW PERSPECTIVE

Simplicity, balance and harmonious surfaces. A unique and unmistakable appearance, represented by the Alfa Romeo styled trilobe front grille. The Alfa Romeo Giulia's curves are defined by light.

The Alfa Romeo Giulia embodies that style. Beautiful and functional: with balanced weight distribution and rear-wheel drive, the engine and mechanics between the two axles, all its power is transferred to the road.

Its profile is power and motion.

ORGANIC COMFORT

The All-New Alfa Romeo Giulia's interior has been built around the driver to offer not only an unsurpassed motoring experience, but also to ensure a comfortable and stylish environment for driver and passengers. Finished with your choice of striking combinations and natural materials. From the standard Leather & Fabric upholstery to soft Nappa leather upholstery throughout, should you chose to upgrade. Surfaces in real wood, natural walnut or Silverwood come perfectly aligned with the optional Lusso Pack. All materials are selected to provide a crafted finish that only Italian styling can achieve. Form, function and beauty work in harmony to create an intense experience aimed at all the senses.

A HIGH PERFORMANCE MINDSET

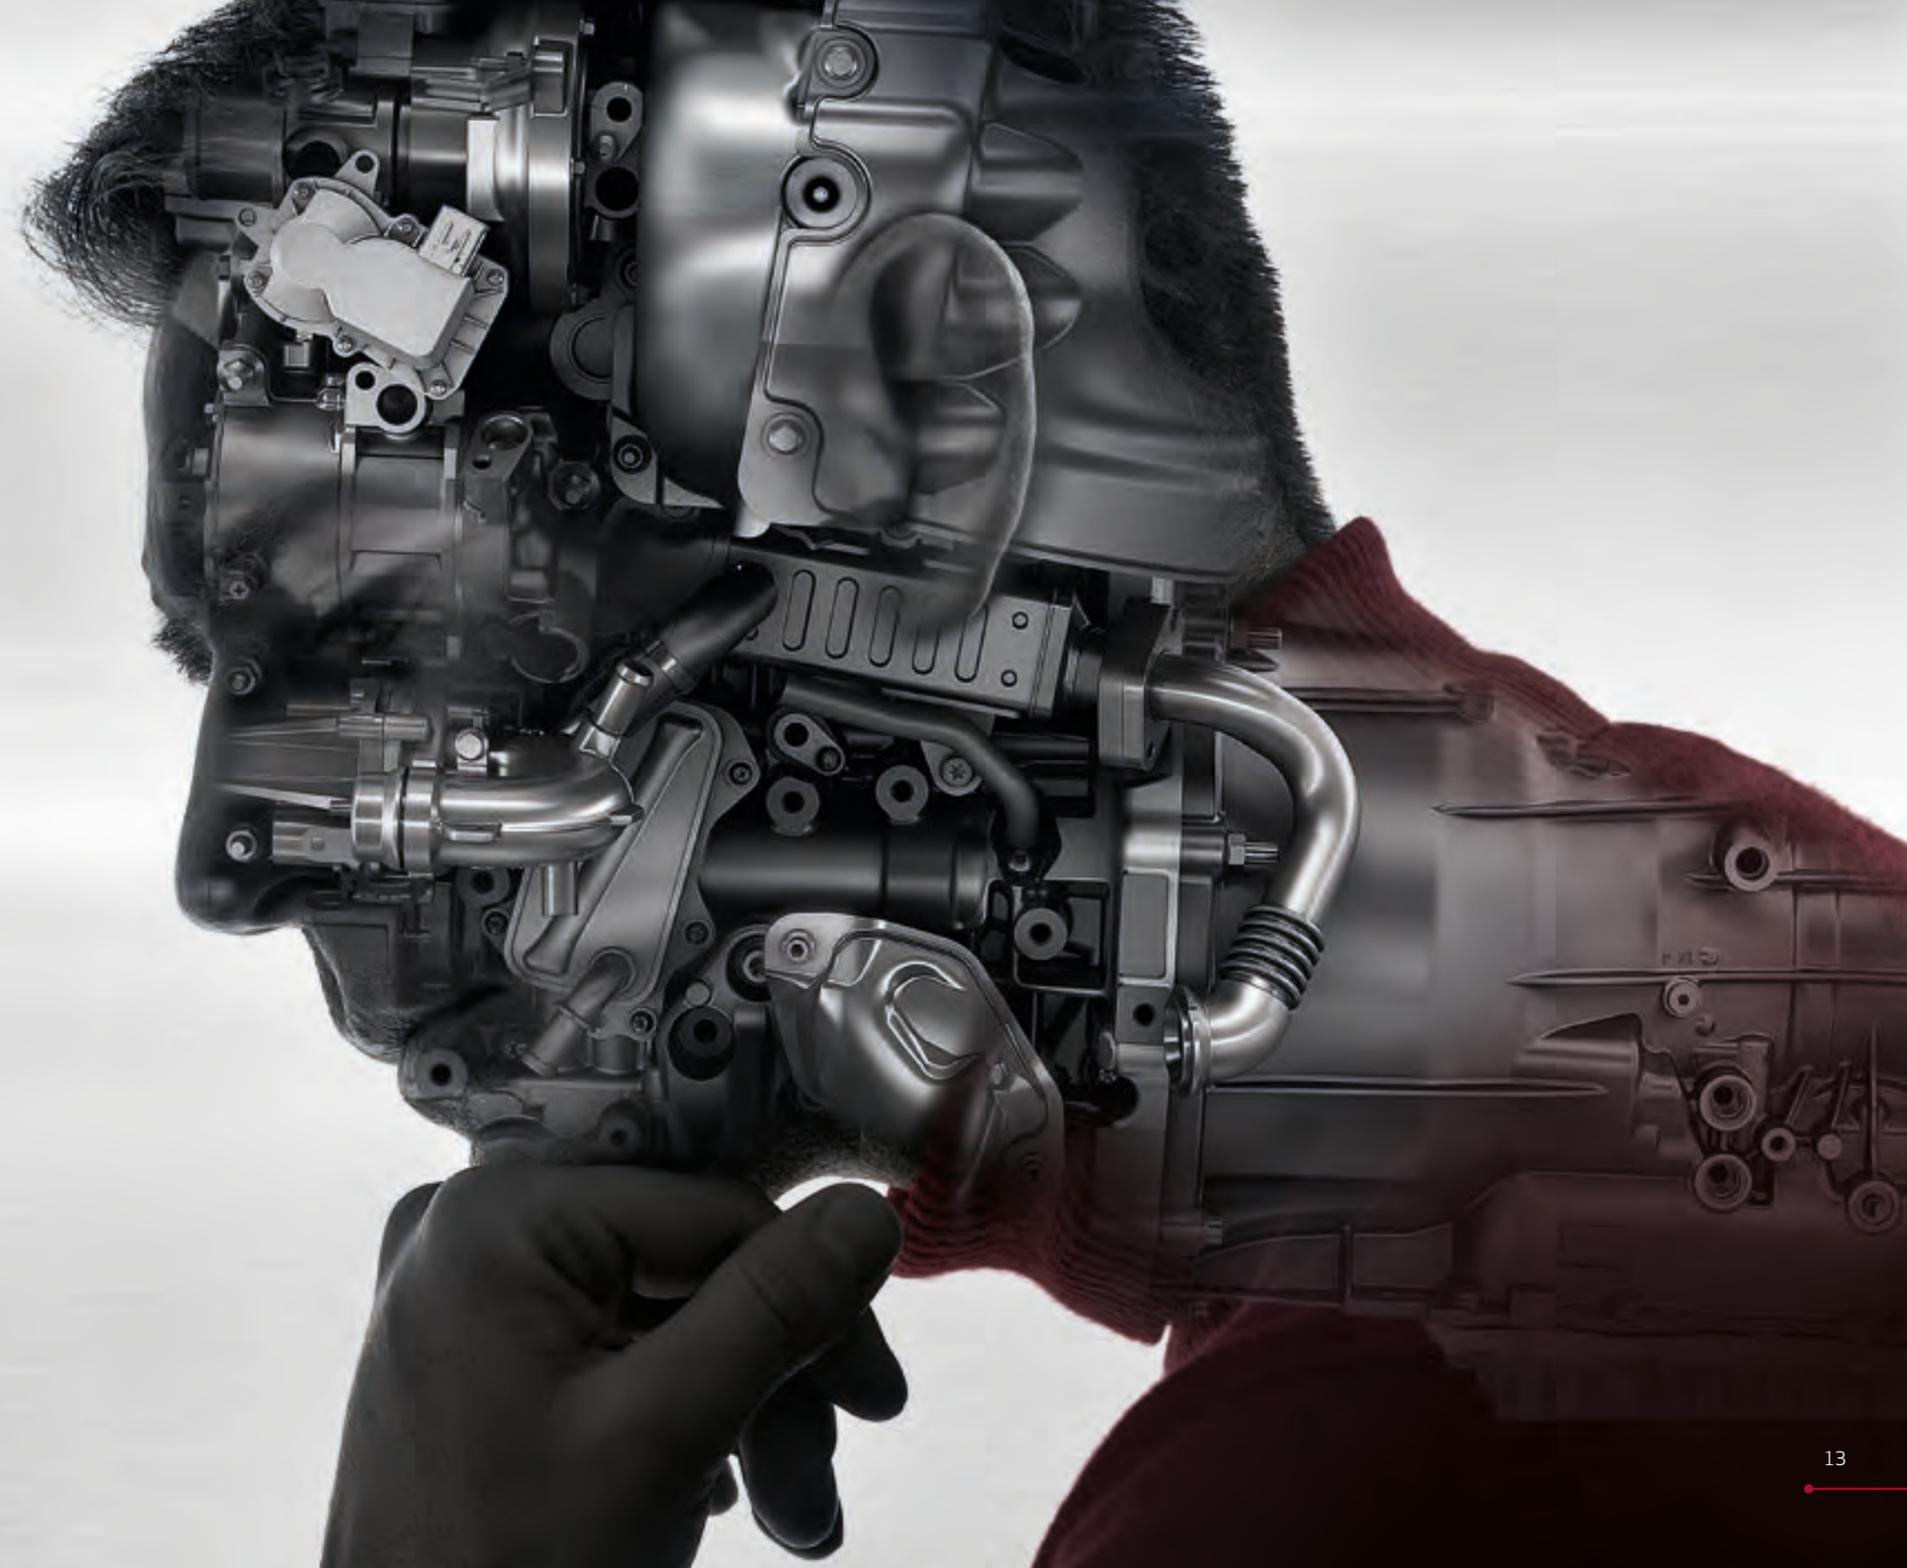

Every detail of the Alfa Romeo Giulia was designed to deliver the best performance in the most efficient way. The engines, all turbo-charged, rear-wheel drive and built entirely in aluminium, offer an unprecedented balance of power without compromising on efficiency. From the spirited 2.0 Petrol engine with either 200 or 280 hp to the 2.2 Diesel available with either a 150 or 180 hp output, all driven through an 8-speed ZF automatic transmission. With the Alfa Romeo Giulia, let your emotion take the lead.

2.0 TURBO PETROL
200 & 280 HP

2.2 TURBO DIESEL
150 & 180 HP

ADVANCED TECHNOLOGY

TURN YOUR TRIP
INTO A JOURNEY

The new Alfa™ D.N.A. lets the Alfa Romeo Giulia vary its dynamic responses and customise them according to your driving style and travelling conditions. The Alfa™ D.N.A. also interacts with the Alfa™ Active Suspension (where available); the shock absorbers adapt to the desired driving style, becoming more rigid for an involving ride, or softer, for a more comfortable drive.

d **Dynamic:** favours performance and responsiveness. The steering response is more precise, the braking more direct and the electronic control systems leave space for the enjoyment of a pure driving experience.

n **Natural:** ideal for both urban and motorway driving. The dynamic behaviour is geared for optimum comfort and efficiency.

a **Advanced Efficiency:** A new mode that allows you to maximise energy savings and minimise emission levels. The safety systems are at their most sensitive in difficult driving conditions.

HAS NO COMPROMISES

The All-New Alfa Romeo Giulia. The attention to detail in every design feature gives the car its perfect balance. The commitment given to the car's aerodynamic development, plus the constant work conducted in the wind tunnel, has resulted in the Alfa Romeo Giulia reaching a Drag Co-efficient (Cd) equal to 0.25. Following this extensive research, it was then possible to further streamline the design of the base of the car, improving airflow under the car and aerodynamic flow management at the rear. Both help reduce turbulence, improving dynamic efficiency.

THRILLING DRIVE

SENSE THE ALFA ROMEO GRIP

The return to rear-wheel drive combined with precise and direct steering, represents the ultimate synthesis of sportiness and comfort, for pure driving pleasure.

The road grip is defined by the new all-aluminium Alfa™ Link suspension, which ensures excellent dynamic behaviour and unique handling. In the front, the new double wishbone system with semi-virtual steering axis keeps the wheels perfectly perpendicular to the road, even at the most challenging corners. At the rear, the four-and-a-half arm multi-link system represents the best combination of lateral grip and comfort, even on uneven road surfaces. Moreover, thanks to its compactness, the rear passenger space has been maximised.

The Alfa™ Active Suspension system dynamically adjusts the suspension response depending on driving conditions and mode selected using the Alfa™ D.N.A. selector. This technology allows for a setting of softer shock absorbers for a more comfortable drive, or a firmer setting, for more accuracy in performance driving.

NATURALLY ENGINEERED
FOR MINIMUM WEIGHT

The All-New Alfa Romeo Giulia is designed to provide an excellent power to weight ratio thanks to the extensive use of ultra-light materials: carbon fibre for the driveshaft and aluminium for the bonnet, doors, engine, suspension and brake calipers. These choices translate to greater efficiency and better driving dynamics, for a considerable reduction in fuel consumption and emissions.

BORN INTUITIVE

The Alfa Romeo Giulia's safety systems employ today's most advanced technology to support intuitive driving with different levels of intervention, identifying risks and dangerous situations.

Forward Collision Warning (FCW) with Autonomous Emergency Brake (AEB) with pedestrian recognition and active braking. This device warns the driver of a potential head-on collision, using acoustic and visual signals and activating the braking system. In urban driving at speeds below 31mph, it can also detect the presence of pedestrians in the car's path and apply the brakes automatically if the driver is unable to actively intervene.

Integrated Brake System (IBS). The Alfa Romeo Giulia is the first sedan in its segment to be equipped with this innovative electromechanical device, which combines the functions of the brake system with those of stability control. With the highly sensitive brake pedal, the system eliminates any vibration in the case of ABS braking. It responds powerfully and rapidly, and can stop the car from 62 to 0 mph in a space of just 38.5 meters.

Lane Departure Warning (LDW) A video sensor installed on the windscreen recognises the road surface markings and alerts the driver with audio and visual warnings, if the driver moves out of the lane involuntarily or fails to use turn signals.

Blind Spot Monitoring (BSM) The system continuously monitors the rear blind spots on both sides of the vehicle, using two radars set in the rear bumper. Any potential risk is signaled with lights on the exterior mirrors, warning the driver of obstacles at the sides of the vehicle.

Rear Cross-Path Detection monitors the area behind the car during reversing manoeuvres. The device signals the approach of other vehicles at a right angle to the car and at speeds lower than 22 mph.

FORWARD COLLISION WARNING (FCW)
 AUTONOMOUS EMERGENCY BRAKE (AEB)
 INTEGRATED BRAKE SYSTEM (IBS)
 LANE DEPARTURE WARNING (LDW)
 BLIND SPOT MONITORING (BSM)
 REAR CROSS-PATH DETECTION

Alfa Romeo Giulia obtained 5 EuroNCAP stars with a score of 98%, establishing it as the safest car ever for adult protection.

harman / **kardon**
by **HARMAN**

The perfection of the Sound Theatre by Harman Kardon® intensifies your driving experience behind the wheel of the Alfa Romeo Giulia. 900 Watts of power, 14 speakers (including subwoofer), 12-channel amplifier and Logic 7® technology. An exciting digital surround sound effect, full of depth and detail. Sound becomes almost material.

THE GRAVITY
OF SOUND

STUNNING ACOUSTICS

A HUMAN-MACHINE SYMBIOSIS

The connection between the Alfa Romeo Giulia and its driver is intrinsic thanks to the on-board technology: the next-generation infotainment system with Rotary Pad command, DAB radio, Alfa™ Connect 3D Nav with three-dimensional high-resolution maps, the 8.8" central display and 7" TFT screen included in the on-board instruments of the Super trim level and above.

INTUITIVE INFOTAINMENT

MEDIA ENTERTAINMENT

Maximum connectivity provided by a full range of devices. Using the USB/AUX/SD ports and Bluetooth connection, you can listen to all your favourite music on board. The graphics and system logic are designed to make the steering-wheel-mounted controls and Rotary Pad the perfect devices for dynamic control of all infotainment functions.

CONNECT 3D NAV 8.8

Based on the latest-generation TomTom platform, the Connect 3D Nav 8.8 sat-nav system is optimised to be simple and intuitive. The interactive content makes the system the perfect guide on every trip, and the thoughtfully structured information display makes everything clear at a glance.

MYCAR

Vehicle status constantly monitored. Vital information relayed at all times, from technical data to servicing requirements. The graphics combine flat and three-dimensional elements to facilitate use.

EFFICIENT DRIVE

Efficient Drive is a useful aid for all types of driver skill levels. Intuitive graphics provide a qualitative analysis of driving style and offer useful information and tips for more efficient driving.

The Sound of Rebirth

The Alfa Romeo Giulia trim is available with the following engine:

- 2.0 200 hp Petrol ZF 8-speed Auto

ALFA ROMEO GIULIA

- 16" Dual 5-spoke alloy wheels
- 3.5" TFT colour cluster display
- 6-way manual front seats
- Alfa™ D.N.A. driving mode selector
- Aluminium brake calipers
- Black cloth seats
- Black painted interior bezels
- Cruise control
- Digital Audio Broadcast (DAB) radio
- Dual-zone climate control
- Dusk sensor
- Electric parking brake
- Engine start button on steering wheel
- Fog lights
- Forward Collision Warning (FCW)
- Halogen headlamps & DRL
- Integrated Brake System
- Lane Departure Warning (LDW)
- Leather steering wheel
- LED tail & brake lamps
- Rain sensor
- Rear Parking Sensors
- Single chrome exhaust tip
- Start&Stop
- Tyre inflation kit

Black dashboard - Black cloth upholstery

Standard black cloth upholstery with black dashboard
N.B. Interior shown includes optional Alfa Connect 3D Nav 8.8" Infotainment system

ALFA ROMEO GIULIA

Optional black leather upholstery with black dashboard

ALFA ROMEO GIULIA SUPER

*Dual exhaust with the 180hp diesel only

The Alfa Romeo Giulia Super trim level is available with the following engines:

- 2.0 200 hp Petrol ZF 8-speed Auto
- 2.2 150 hp Turbo Diesel ZF 8-speed Auto
- 2.2 180 hp Turbo Diesel ZF 8-speed Auto

ALFA ROMEO GIULIA SUPER

ADDS TO GIULIA TRIM

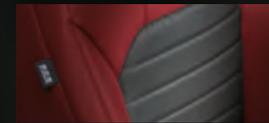

- 17" 10-spoke alloy wheels
- 8.8" Alfa Connect 3D NAVIGATION
- 7" TFT display screen
- Aluminium door sills
- Dual chrome exhaust tip (180hp Diesel only)
- Leather and cloth seat (3 colours available)
- Two tone dashboard and door panel availability

Standard black leather and cloth upholstery

Tan leather and cloth upholstery

Red leather and cloth upholstery

Standard tan leather and black cloth upholstery with tan dashboard and door inserts

ALFA ROMEO GIULIA SUPER

Optional red leather upholstery

Optional Tan leather upholstery

Optional Black leather upholstery

ALFA ROMEO GIULIA SPECIALE

The Alfa Romeo Giulia Speciale trim level is available with:
• 2.2 180 hp Diesel ZF 8-speed Auto

ALFA ROMEO GIULIA SPECIALE

ADDS TO GIULIA SUPER

- 18" 5-hole dark finish Sport Alloy wheels
- 25W Bi-Xenon Headlamps + LED daytime running lights (DRL)
- 6-Way power driver and passenger seat
- 40/20/40 split folding rear seats
- Aluminium pedals and footrest
- Aluminium centre tunnel cover
- Black gloss window surrounds
- Dimming rear view mirror
- Heated front seats
- Heated steering wheel
- Heated washer nozzles
- Leather sports seats (3 colours available)
- Leather sports steering wheel
- Power folding mirrors
- Red brake calipers
- Sports leather steering wheel
- Sports diffuser & dual chrome exhaust
- Sports front & rear bumpers

Standard Speciale & Veloce Sports Seats in Black leather
(aluminium shift paddles are optional on Speciale)

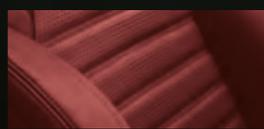

ALFA ROMEO GIULIA SPECIALE & VELOCE

Standard Speciale & Veloce Sports Seats in Black leather (aluminium shift paddles are optional on Speciale)

Tan Leather sport seats

Red Leather sport seats

ALFA ROMEO GIULIA VELOCE

The Alfa Romeo Giulia Veloce trim level is available with:

- 2.0 200hp Petrol ZF 8-speed Auto

ALFA ROMEO GIULIA VELOCE

ADDS TO GIULIA SPECIALE

- 18" Turbine alloy wheels with run flat tyres
- Upgraded braking system
- Black brake calipers
- Aluminium shift paddles on steering column
- Front parking sensors (additional to rear)
- 2.0 Petrol 280hp engine

SPORT PACK

OPTIONAL ON ALFA ROMEO GIULIA SUPER TRIM ONLY
 Aluminium tunnel cover & dashboard insert
 & door handle surrounds
 Aluminium sports pedals & footrest
 Sports leather steering wheel
 Bi-Xenon headlights - 25W

SPORT PACK PLUS

OPTIONAL ON ALFA ROMEO GIULIA SUPER TRIM ONLY
 Aluminium tunnel cover & dashboard
 insert & door handle surrounds
 Aluminium sports pedals & footrest
 Sports leather steering wheel
 Headlight washer system
 Bi-Xenon headlights - 35W + Adaptive Front Lighting
 System (AFS)

PANORAMIC ROOF

Tinted glass panoramic roof with electric opening

DRIVER ASSISTANCE PACK

Rear-view camera with dynamic grid lines
 Front & Rear parking sensors

DRIVER ASSISTANCE PACK PLUS

OPTIONAL ON ALL TRIMS EXCEPT SPECIALE
 Rear-view camera with dynamic grid lines
 Front & Rear parking sensors
 Electrochromic rear-view mirror
 Electrochromic wing mirrors
 Automatic high beam system
 Blind spot detection with rear cross-path detection

CLIMATE PACK

Air Quality System & cooled glove box
 Athermic windscreen
 Rear air vents
 Rear USB port
 Front USB port

PACK

COLD WEATHER PACK

OPTIONAL ON ALFA ROMEO GIULIA & GIULIA SUPER TRIMS ONLY
Heated washer nozzles
Heated front seats
Heated steering wheel

SOUND THEATRE

Upgraded Audio System (11 speakers, incl. subwoofer)
Ambient lighting

SOUND THEATRE BY Harman/Kardon®

OPTIONAL ON GIULIA SUPER, SPECIALE & VELOCE TRIMS ONLY
900 W premium audio system
(14 speakers, incl. subwoofer)
Ambient lighting

CONVENIENCE PACK

Exterior door handle lights
Keyless entry (front doors)
Dashboard storage compartment on driver's side
Sun visor with illuminated vanity mirror (driver)

LIGHTING PACK

OPTIONAL ON ALFA ROMEO GIULIA & GIULIA SUPER TRIMS ONLY
Headlamp washers
35W bi-xenon headlamps + Adaptive Front Light System (AFS)

POWER SEATS PACK

OPTIONAL ON ALFA ROMEO GIULIA & GIULIA SUPER TRIMS ONLY
6-way power driver seat (with memory)
6-way power passenger seat

LUSSO PACKS

LUSSO PACK (AVAILABLE ON GIULIA SUPER)

- Chrome window surrounds
- Wood inserts (walnut or Silverwood)
- Full-grain leather upholstery (in 4 colour variants)
- Leather-trimmed instrument panel and upper door panel inserts
- Heated front seats
- 8-way front power seats (with driver memory)
- Luxury heated steering wheel
- Power folding wing mirrors

LUSSO PACK (AVAILABLE ON GIULIA VELOCE)

- Wood inserts (walnut or Silverwood)
- Full-grain leather upholstery (in 4 colour variants)
- Leather-trimmed instrument panel and upper door panel inserts
- 8-way front power seats (with driver memory)

Beige leather upholstery with beige dashboard and walnut detailing - includes optional Aluminium steering wheel paddles

Black leather upholstery with black leather trimmed dashboard and walnut detailing.

Tan leather upholstery with tan leather trimmed dashboard and silverwood detailing

Black leather upholstery with black leather trimmed dashboard and silverwood detailing

Red leather upholstery with red leather trimmed dashboard and silverwood detailing

MAKE GIULIA YOUR OWN

Harmony, simplicity and irresistible appeal. Innovation, technology and sheer Alfa Romeo gusto. The Alfa Romeo Giulia is all this and much more. And with a world of original accessories to choose from, you really can make it the car of your dreams. If you're looking for that exclusive touch, why not enhance your Alfa Romeo Giulia's sporting personality with some carbon-fibre detailing? Or if you like your boot load organised to perfection, we have a range of storage containers and dividers for optimum use of load space. Choose your style, with original Alfa Romeo accessories.

SERVICES

ALFA ROMEO CUSTOMER SERVICE

You can call Alfa Romeo free of charge on 00800 2532 0000* from anywhere in Europe. We provide assistance 24 hours a day, 365 days a year for: • Towing or roadside assistance in the event of accident or breakdown • Information about our service network • Free passenger return (or continuation of journey) service • Payment of hotel expenses • Repaired car pick-up • Cash advance • Dispatch of spare parts. You can also contact Alfa

Romeo Customer Service for information about our models, services and Dealer Network, or to book a test drive. Whatever you need, we're here for you.

*Don't forget to check the cost with your operator when calling from abroad or from a mobile network.

FINANCE PACKAGES AND INSURANCE SERVICES

The name FCA Bank is new, but the organisation behind it has been operating with professionalism and dynamism for over 90 years. Specifically dedicated to motorists, FCA Bank puts customer service first, and meets all the personal mobility needs of its customers. It offers simple, innovative finance, leasing and contract hire programmes tailored to your needs, whether you're self-employed, a private buyer or a company fleet

manager. And you can combine them with a wide range of insurance services to cover vehicles and people alike. FINANCE PACKAGES AND INSURANCE SERVICES

KEEP YOUR ALFA ROMEO IN TIP-TOP CONDITION WITH MOPAR® VEHICLE PROTECTION.

Mopar® Vehicle Protection offers a series of service contracts designed to give you complete peace of mind. Our product portfolio consists of a an extended warranty service and servicing plans endorsed by Alfa Romeo. Each has a different level of cover, in terms of duration and mileage, to match your own specific needs. Mopar® Vehicle Protection is your guarantee that all your servicing needs will be met by Alfa Romeo authorised dealerships and workshops across Europe, using highly qualified specialist technicians and original spare parts. Choose the Service Contract that suits your driving habits best.

MAXIMUM CARE: 100% PEACE OF MIND, WHEREVER YOUR JOURNEY TAKES YOU

Assured confidence, by extending your vehicle warranty beyond the new car warranty offer, for up to a maximum of +2 years. The protection plan designed to cover all mechanical and electrical components, supplement the standard manufacturer's warranty and ensure that you get the best value for money.

EASycARE: FIX THE PRICE OF YOUR SERVICING AT THE POINT OF SALE

The Easy Care servicing plan is a flexible annual service plan applicable for every Alfa Romeo model. These service plans are available from one to five years and include all the scheduled maintenance required on your vehicle depending on the term or mileage selected. They contain all of your essential servicing requirements and replicates the scheduled maintenance schedule shown. The price includes all the parts, labour and fluids required to perform the service schedule created for your car. For more information please contact your Alfa Romeo dealer.

FREE PHONE NUMBER*

Call ALFA INFOMORE for information on products and services and to ask for roadside assistance (24 hours a day, 7 days a week).

*Remember to check the cost of the call if you call from abroad or from a mobile phone.
