Of course a heritage carries a challenge. For the 145,

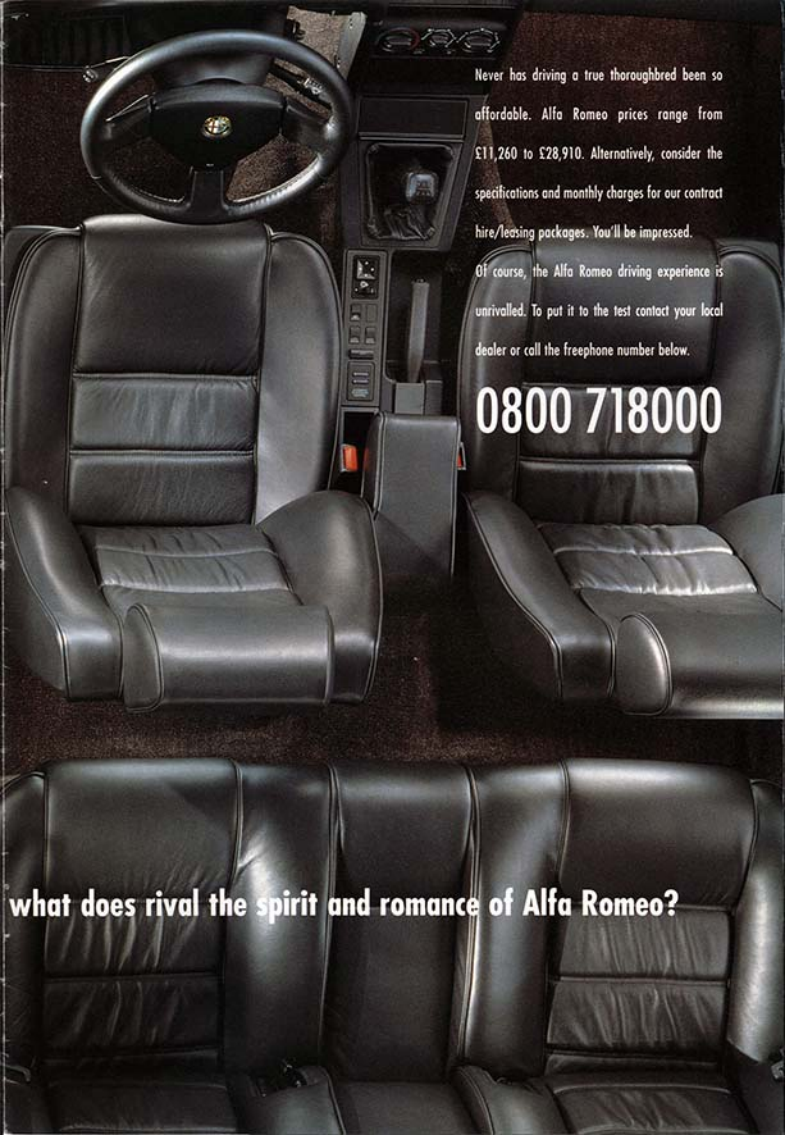

15

it is for the future to surpass the past. It will.

"Cuore Sportivo" has no English equivalent. But then

Never has driving a true thoroughbred been so affordable. Alfa Romeo prices range from £11,260 to £28,910. Alternatively, consider the specifications and monthly charges for our contract hire/leasing packages. You'll be impressed.

Of course, the Alfa Romeo driving experience is unrivalled. To put it to the test contact your local dealer or call the freephone number below.
