

MDX

Whether we're building a supercar or an SUV, our approach has always been the same: put the driver first. Always. We believe the driver is the single most important element of any vehicle, and it's why we've gathered designers and dreamers, optimists and engineers, to push the limits of technology and enhance the relationship between driver and machine, building vehicles with uncompromising performance—experience—boosting, safety-minded, driver-first performance.

It's what Precision Crafted Performance is all about. It's who we are, who we've always been, and who we'll continue to be. So when we set out to build the MDX, we built it the only way we know how.

DIFFERENT BY

DESIGN

From the beginning, it's been our goal to create performance vehicles with an unrivaled level of precision. Every detail is meticulously crafted down to where the tire meets the road, and it's all with the single-minded goal of designing the world's most cutting-edge, experience-boosting, driver-first performance vehicles.

EXTERIOR DESIGN

Commanding front styling announces the face of Acura—the bold Diamond Pentagon grille. Strong lines are accentuated by front all-LED lighting, which provides a sleek and sophisticated design detail as well as helping to increase safety. Along with an exposed dual-exhaust and available attention-grabbing 20" alloy wheels, the striking exterior of the MDX announces Precision Crafted Performance.

JEWEL EYE™ LED HEADLIGHTS

Whether you're on the racetrack or on a road trip, how far ahead you can see affects everything. Jewel Eye™ LED headlights are standard on every Acura and help to provide impressive down-road visibility with an intense, wide beam of light designed to mimic natural sunlight—the light our eyes are designed to see in. The intended result? Less fatigued driving, more clarity and vivid colours.

MDX with Elite Package shown in Modern Steel Metallic.

MDX with Elite Package shown with Parchment Milano Leather with seat piping.

INTERIOR DESIGN

The cabin of the MDX is shaped by intelligent design, refined style, and human-centred technology. Drivers and passengers will be welcomed on board by soft leather-trimmed seating, available chic contrast stitching and seat piping, natural handcrafted wood accents, along with ample legroom, and advanced noise reduction. The result is a spacious, elegant and comfortable environment for a pleasant trip.

TAKE

CONTROL

There's no hiding the pedigree of the MDX as a track-honed performance vehicle that connects you to the road. Beneath its aggressive looks lie heart-pumping performance features, including a direct-injected, 3.5-litre i-VTEC® V6 engine, torque-vectoring Super Handling All-Wheel Drive™⁸ (SH-AWD®) and a 9-speed automatic transmission with Sequential SportShift® paddle shifters.

MDX with Elite Package shown in Modern Steel Metallic.

INTEGRATED DYNAMIC SYSTEM (IDS)

With Comfort, Normal and Sport driving options, our Integrated Dynamic System (IDS) delivers three modes of Precision Crafted Performance, designed to complement the personality of the driver. Choose between the three modes and the IDS will adjust the steering effort, throttle response, Super Handling All-Wheel Drive,[™] even the sound of the engine, to match the mood you want to set for the drive ahead.

If you're looking to raise your pulse, Sport mode dials up throttle response and weights the steering for a sports car-like feel while inciting a more aggressive response from the SH-AWD[®] system. And for an even more engaging experience, put full manual control of the 9-speed automatic transmission at your fingertips with our race-inspired Sequential SportShift[®] paddle shifters.

AGILE HANDLING ASSIST

Agile Handling Assist uses active braking to aid in the accurate tracing of your desired line through a turn. The system can brake individual wheels as needed, effectively using brake torque-vectoring to directly control the vehicle's rotation. Working jointly with Amplitude Reactive Dampers—dual-valve suspension technology that reacts to the road—and Super Handling All-Wheel Drive,[™] the highly precise handling of the MDX was designed to feel more like that of a sports sedan than a seven-passenger luxury SUV.

The MDX also happens to be the lightest vehicle in its class.* To reduce weight and increase rigidity, the body structure features lightweight materials such as ultra high-strength, hot-stamped steel, aluminum and magnesium. And less weight equals more performance, which is why we cut every unnecessary ounce.

*Based on information available to Honda Canada Inc. as of September 2017.

MDX with Elite Package shown in Lunar Silver Metallic.

A DIRECT
CONNECTION
BETWEEN DRIVER
AND VEHICLE

MDX with Elite Package shown in Crystal Black Pearl.

SH-AWD®

SUPER HANDLING ALL-WHEEL DRIVE™

Super Handling All-Wheel Drive™ was designed to adapt to the driver for superb handling under virtually any condition, and is standard on every MDX.

This innovative torque-vectoring system sends power to the wheels that need it most, distributing power from front to back, or side to side on the rear wheels, helping to match driver input, weight distribution and available traction. In a corner, the system sends up to 100 percent of the rear power to the outside wheel, effectively rotating the vehicle and significantly enhancing manoeuvrability and control. This performance technology helps to provide seamless power transitions and remarkable control—control that goes beyond traction and forms a direct connection between driver and vehicle.

CORNERING

When cornering on dry surfaces, up to 70 percent of the torque is distributed to the rear. Torque vectoring allows up to 100 percent of that power to be distributed to the outside rear wheel, improving control and helping to rotate the MDX through the turn.

LANE CHANGE

For increased stability during lane changes, the SH-AWD® system is designed to transfer power to the inside rear wheel.

SLIPPERY ROAD

Under slick conditions, SH-AWD® is designed to actively send power to the wheel with the most traction.

HIGHWAY CRUISE

To help with fuel efficiency, up to 90 percent of the power is sent to the front wheels when cruising in a straight line.

DESIGNED TO

PROTECT

LIKE IT PERFORMS

MDX drivers and passengers are surrounded by an extensive number of both standard safety features and available innovative Acura safety technologies, further enhancing the driving experience through greater peace of mind.

AcuraWatch™

AcuraWatch™ combines a network of next-level sensing technologies designed to increase awareness and support the driver, working to help mitigate and in some cases even avoid impacts. Sensors are designed to continuously monitor the vehicle's surroundings and can recognize not only vehicles, but also the shapes of motorcyclists and pedestrians—even certain-shaped shrubbery and mailboxes. AcuraWatch™ can warn of potential threats, provide steering input to help keep you in the centre of a detected lane, brake to maintain a set interval from vehicles detected ahead, and emergency-brake in some cases to help avoid or mitigate the risks of frontal collisions.

In addition, the available surround view camera system⁸ gives you a 360-degree view of the space around the MDX.* With six unique camera views, parking sensor information and dynamic guidelines that show your expected path, you'll feel even more connected to your surroundings.

- a. Forward Collision Warning (FCW) system⁸
Collision Mitigation Braking System™⁸ (CMBS®)
- b. Lane Departure Warning (LDW) system⁸
Lane Keeping Assist System⁸ (LKAS)
Road Departure Mitigation (RDM™) system⁸
- c. Adaptive Cruise Control (ACC) with Low-Speed Follow⁸ (LSF)
- d. Available Blind Spot Information (BSI) system⁸
- e. Available Cross Traffic Monitor system⁸
- f. Multi-angle rearview camera⁸ with dynamic guidelines
Available surround view camera system⁸

*When travelling at speeds of 12 km/h or less.

MDX with Elite Package shown in Modern Steel Metallic.

ACE™ BODY STRUCTURE

Acura's next-generation Advanced Compatibility Engineering™ (ACE™) body structure is designed to help absorb and disperse frontal impact energy so less force is transferred to what really matters: the people inside. But we didn't stop there; crash compatibility is designed into the structure as well, so in the event of a collision, the occupants of all vehicles involved may be protected.

SAFETY THROUGH
INNOVATION

U.S. model shown.

The MDX supports both Apple CarPlay™§,** and Android Auto,™§,** helping to keep you connected to your compatible smartphone, including maps, texts, emails, music and more, all seamlessly integrated into your MDX's touchscreen display, so you can stay focused on the road.

APPLE CARPLAY™

Place the power of your iPhone® in your dash with Apple CarPlay.™ A redesigned OS seamlessly integrates your compatible iPhone with the car's built-in display and controls, so you can make calls, access your music, send and receive messages, get directions or seamlessly tap into the power of Siri® with the press of a button.

ANDROID AUTO™

Android Auto™ brings the Android experience to your car by projecting some of your favourite apps and services right into the MDX's touchscreen display, and it's highlighted by an intuitive interface that populates suggested directions, upcoming appointments and weather conditions, to name a few. The powerful new Talk to Google voice feature allows you to access directions via Google Maps, send and receive text messages and access your favourite music, providing an easier way to get the information you need, when you need it.

STAY

CONNECTED

MDX with Elite Package shown in White Diamond Pearl.

ELS STUDIO® PREMIUM AUDIO SYSTEM

To build something truly remarkable, you need to work with the best, which is why we collaborated with eight-time Grammy Award®-winner Elliot Scheiner to create the critically acclaimed available ELS Studio® Premium Audio System. Whether you're listening over the airwaves, streaming digitally, or enjoying your own music library, ELS Studio® was designed to produce music as it's meant to be heard, so even the most familiar tunes will become a whole new listening experience. The result is an exceptional combination of engineering and artistry, and it's totally unique to Acura.

"Acura cares, unlike some other providers that put systems in automobiles. Others come from a scientific background, meaning they tune using numbers and charts. Not ears. That's not what music is about, and it is the key to why the ELS Studio systems are so highly regarded."
—Elliot Scheiner

ACURALINK™§,,A**

It's not enough to simply be connected anymore; we need tools that work harder for us. Available AcuraLink is designed to seamlessly connect you to the information and media you want. Pair it with your compatible smartphone to keep up on emails, texts, and tweets, check the weather, or find nearby restaurants and points of interest, and drive with the added assurance of AcuraLink Assist services.

If traffic backs up, AcuraLink Real-Time Traffic™ with Traffic Rerouting™§ pulls available surface-street information, including traffic flow, incidents, and construction and can thoughtfully reroute you for a faster commute.

ACCESSORIES

Choose from an array of Acura Genuine Accessories that give you the practical luxuries and advanced styling that will bring you together with your machine.

PROTECTION PACKAGE
All-season floor mats (includes 1st- and 2nd-row mats)
Cargo tray, folding

PROTECTION PACKAGE – ADVANCE
All-season floor mats (Includes 1st-, 2nd- and 3rd-row mats)
Cargo tray, folding

UTILITY PACKAGE
Running boards, advance
Roof rack rails

SPORT LUXURY PACKAGE
Roof rack rails
Running boards, advance
LED fog lights

PLATINUM PACKAGE
20" Alloy wheel – SBC
Running boards, advance

Roof rack rails
Roof rack crossbars

TOWING PACKAGE – 3,500 LB
Trailer hitch
Trailer hitch harness

TOWING PACKAGE – 5,000 LB
Trailer hitch
Trailer hitch harness
ATF cooler

20" Alloy Wheel – Black
Body side molding
Cargo cover
Cargo liner
Cargo mat
Cargo net
Door edge film
Door edge guards
Engine block heater
Illuminated door sill trim

Moonroof visor
Paint pen
Parking sensors
Rear back-up sensors
Rear bumper appliqué
Rear bumper protector, metal
Roof rack, bike attachment
Roof rack, box short
Roof rack, kayak attachment
Roof rack, ski attachment

Roof rack, snowboard attachment
Roof rack, surfboard attachment
Running boards, advance
Running boards, rear step
Rear seat cover, 2nd-row
Trailer hitch ball, 1½" or 2"
Trailer hitch bike attachment
Trailer hitch locking pin
Trunk edge and bumper protector
Wheel locks

Accessories listed in the packages may also be added individually to your MDX. Accessories and packages are subject to inventory availability.

ENGINE

Engine	3.5-litre, Direct Injection SOHC, i-VTEC® V6
Horsepower	290 hp @ 6200 rpm
Torque	267 lb.-ft. @ 4700 rpm
Displacement	3471 cc
Bore and stroke	89 x 93 mm
Emissions	Tier 3 Bin 125
Compression ratio	11.5:1
Variable Cylinder Management® (VCM®)	
Recommended fuel	Premium unleaded

Horsepower and torque calculations reflect SAE net, Rev. 08/04, SAE J1349 procedures.

DRIVETRAIN

9-speed automatic transmission with Sequential SportShift®
paddle shifters and Grade Logic Control
Integrated Dynamic System (IDS)
Hill Start Assist¹
Super Handling All-Wheel Drive™ (SH-AWD®)⁴
Towing capacity: available in 3500 lb. (1588 kg) or 5000 lb. (2268 kg)

SAFETY FEATURES

- Advanced Compatibility Engineering™ (ACE™) body structure
- Anti-lock Braking System (ABS)[§] with Electronic Brake-force Distribution (EBD) and Brake Assist
- Child-seat tethers in 2nd row (3), 3rd row (2)
- Childproof rear door locks
- Collision Mitigation Braking System™[§] (CMBS®)
- Driver's knee airbag
- Dual-stage, multiple-threshold front airbags (SRS)
- Forward Collision Warning (FCW) system[§]
- Immobilizer theft-deterrent system
- Lane Departure Warning (LDW) system[§]
- Lane Keeping Assist System[§] (LKAS)
- Lower Anchors and Tethers for Children (LATCH) child-seat mounting system positions in 2nd row (3)
- Road Departure Mitigation (RDM™) system[§]
- Security system
- SmartVent™ front side airbags
- Side curtain airbags
- Tire Pressure Monitoring System[†] (TPMS) with location and pressure indicators and tire fill assist
- Trailer Stability Assist™
- Vehicle Stability Assist (VSA®)[§] with Traction Control

EXTERIOR

- Auto high beam
- Heated power-adjusting side mirrors with driver recognition, reverse gear tilt-down and integrated turn indicators
- Chrome door handles
- Front and rear splash guards
- Headlamp washers
- Heated windshield
- Intermittent rear window wiper/washer
- Jewel Eye™ LED headlights
- LED taillamps
- Power moonroof with tilt feature and auto-open/close
- Tinted glass
- Variable intermittent windshield wipers
- Wiper-linked headlight system

CHASSIS

- 18" alloy wheels
- Agile Handling Assist
- Amplitude Reactive Dampers
- Electric power-assisted rack-and-pinion steering (EPS)
- Electronic Parking Brake (EPB) with automatic brake hold
- Multi-link independent rear suspension
- Power-assisted, ventilated front disc/drum-in-disc rear brakes
- Strut front independent suspension
- Tires: P245/60 R18 all-season

CAPACITIES

Maximum cargo volume, 2nd- and 3rd-row seats folded down	2575 litres
Maximum cargo volume, 3rd-row seats folded down	1230 litres
Maximum cargo volume, behind 3rd row	447 litres
Fuel tank capacity	73.8 litres
Passenger volume	3758 litres
Windshield washer fluid tank	5.3 litres

FUEL ECONOMY* (L/100km)

MDX	12.6	9.0	11.0

COMFORT & CONVENIENCE

- 12-volt power outlet
- Acoustic glass
- Active Noise Control (ANC)/Active Sound Control (ASC)
- Adaptive Cruise Control (ACC) with Low-Speed Follow[†]
- Ambient cabin and door handle lighting
- Ambient driver's and front passenger's footwell lighting
- Auto-dimming rearview mirror
- Capless fueling system
- Cargo area tie-down anchors (4)
- Centre console
- Colour TFT meter display
- Driver's and front passenger's illuminated vanity mirrors
- Driver's and front passenger's seatback pockets
- HandsFreeLink™-Bluetooth® wireless mobile phone interface^{1,***} with steering wheel-mounted controls
- HomeLink® remote system***
- Maintenance Minder™ system
- Multi-angle rearview camera[‡] with guidelines
- On-Demand Multi-Use Display™
- One-touch directional signals
- Power tailgate
- Power tilt and telescoping steering column
- Power windows with auto-up/down, auto-reverse and key-off operation
- Keyless Access System with pushbutton start
- Remote engine starter (bi-directional)
- Remote-linked 2-position memory system for driver's seat, steering column
- side mirrors and climate control
- Steering wheel-mounted audio, phone, MID and cruise controls
- Tri-zone front and rear synchronized automatic climate control with humidity control and air-filtration system

- 8-way power adjustable front passenger's seat
- Heated front seats
- Heated steering wheel
- Leather-trimmed interior

NAVIGATION PACKAGE

(Adds to MDX features)

20" alloy wheels
Tires: P245/50 R20 all-season
Acura Navigation System with Voice Recognition™,†,‡
ELS Studio® 501-watt Premium Audio System with AM/FM/SiriusXM™ tuner,
MP3/Windows Media® Audio compatibility, DTS®, Dolby® Pro Logic™ II
and 10 speakers including subwoofer
AcuraLink™,*,†,‡ connectivity system
Blind Spot Information system® (BSI)
Cross Traffic Monitor system®
Hard disk drive (HDD) media storage
Perimeter/approach puddle lights
Rain-sensing windshield wipers
Tri-zone front and rear synchronized automatic climate control with humidity
control and air-filtration system and sun position detection system

TECHNOLOGY PACKAGE

(Adds to Navigation Package)

- Auto-dimming power folding side mirrors
- Acura DVD Entertainment System with 9" display
- ELS Studio® 529-watt Premium Audio System with AM/FM/SiriusXM™¹ tuner, MP3/Windows Media® Audio compatibility, DTS®, Dolby® Pro Logic™ II and 11 speakers including subwoofer
- Auto-levelling front headlamps
- Heated 2nd-row seats
- Keyless Access System for rear doors
- Perforated Premium Milano leather-trimmed interior
- Rear side sunshades
- AC power outlet (115-volt)

ELITE PACKAGE
(Adds to Technology Package)

Acura DVD Ultrawide® Rear Entertainment System with 16.2-inch display
 and HDMI® (High-Definition Multimedia Interface) input jack
 ELS Studio® 546-watt Premium Audio System with AM/FM/SiriusXM™¹ tuner,
 MP3/Windows Media® Audio compatibility, DTS,[®] Dolby® Pro Logic™ II
 and 12 speakers including subwoofer
 Engine idle stop-start feature
 Front and rear parking sensors
 Genuine wood trim – Black Limba or Olive Ash Burl
 10-way power adjustable passenger's seat including 2-way power
 lumbar support
 LED fog lights
 Painted front and rear lower skid garnishes
 Roof rails
 Seat accent piping and contrast stitching
 Surround view camera system[§]
 Unique 20" Elite-style wheels
 Ventilated front seats

ELITE 6 PASSENGER PACKAGE
(Adds to or replaces Elite Package features)

Seating capacity: 6
2nd-row captain's chairs with center console storage (removes Acura DVD
UltraWide Rear Entertainment System with 16.2-inch display and HDMI®
(High-Definition Multimedia Interface) input jack)
USB charge ports (6) (removes AC power outlet (115-volt))
Child-seat tethers in 2nd row (2), 3rd row (2)
Lower Anchors and Tethers for Children (LATCH) child-seat mounting system
positions in 2nd row (2)

* Estimated fuel consumption based on Government of Canada's 5-cycle testing method. Your actual fuel consumption will vary based on driving habits and other factors – use for comparison only. For more information on 5-cycle testing, visit <http://vehicles.nrcan.gc.ca>

*Only compatible with certain devices and operating systems. Devices, cables and adapters are not included and must be purchased separately. Cellular data and/or voice charges may apply, including roaming charges and/or other amounts charged by your wireless carrier.

* HomeLink® can be programmed with codes of up to three remote-control devices (e.g., garage-door opener, home security system, etc.). Additional control devices not provided by Acura may be required.

Δ Subscription required. One year complimentary subscription to AcuraLink Standard, AcuraLink Connect, and AcuraLink Premium included, after which fees, taxes and other charges will apply in order to continue subscription. The availability of certain cellular networks is required for AcuraLink to operate properly. Service interruptions may occur and/or vehicle system upgrades may be required if cellular network availability is compromised. Ask your dealer for full terms and conditions.

⁹ None of the features we describe are intended to replace the driver's responsibility to exercise due care while driving. Drivers should not use handheld devices or operate certain vehicle features unless it is safe and legal to do so. Some features have technological limitations. For more comprehensive product and feature information, limitations and restrictions, please visit www.acura.ca/disclaimers and refer to your vehicle's Owner's Manual.

† Only available in certain areas. Includes a no-charge trial of three months, beyond which service fees apply.

† For optimal tire wear and performance, tire pressure should be checked regularly with a gauge.
Do not rely solely on the monitor system. The system cannot monitor the pressure of the spare tire.

Map Database of the Acura Navigation System covers major metropolitan areas in Canada and the 48 contiguous U.S. states. For a list of current, detailed coverage areas, refer to the Acura website, www.acura.ca.

COLOUR & TRIM

Our colour and trim range is an extension of our commitment to craftsmanship and elegance. A palette of timeless exterior colours is complemented by equally refined interior options and a superior grade of leather trims. These are the finishing touches that elevate your relationship with your Acura, and the road, at every turn.
