ZDX

ZDX

INTRODUCING THE ACURA ZDX. INTRODUCING NEXT.

Next is what happens when you create a luxury vehicle – from scratch. When you re-imagine the entire design process, from initial concept to final production. When you look beyond what's been done in the past to what may be possible in the future.

The Acura ZDX. It's not new. It's next.

Start clean. Rethink the steps by which a vehicle evolves, from lines on a page to lines on a finished vehicle. Keep what works. Change what could work better. Put designers and engineers together under one roof – at the new Acura Design Studio – and give them absolute freedom to explore, discover and refine. The result: the boldest Acura ever made.

NEXT IS A BLANK SHEET OF PAPER.

NEXT IS FINDING HARMONY IN CONTRAST.

Traditional automotive design can be a closed loop, with manufacturers looking to one another for inspiration and validation. In designing the ZDX, we sought inspiration in the fluid roofline of a Japanese sports arena; in the contrasting materials and technologies of one of San Francisco's most luxurious hotels; even in the rich hues inside aged Napa Valley oak wine barrels. The ZDX doesn't look like other vehicles because it's inspired by a world beyond other vehicles.

It's called "design integrity": the idea that each part should relate to every other part to form a cohesive whole. In shaping the ZDX, Acura designers fashioned the interior and exterior side by side. Lines carved in sheet metal echo those crafted in leather. Exterior design dovetails seamlessly with interior amenities. So whether you're observing it from across the street or sitting in its cockpit, the vehicle conveys the same feeling: Next. And with all elements working as one, it's far more than the sum of its parts – it's a statement.

NEXT IS LUXURY IN THE DETAILS.

The ZDX's cockpit has been luxuriously crafted with comfort and continuity in mind. Its refined leather dash unfolds with flowing lines culled from the vehicle's exterior vocabulary. In contrast to most luxury vehicles, the ZDX's leather isn't buffed to correct imperfections. Instead, each piece has been carefully selected to ensure premium quality while retaining its rich natural grain. The care that went into the ZDX dash is indicative of the detail reflected throughout the cabin.

Along with the cockpit's material richness, you'll notice on your first drive a lack of ambient cabin noise. That's courtesy of the ZDX's Active Noise Cancellation system, which detects undesirable engine noise and emits opposing frequencies to cancel it out. For an even quieter ride, a special seven-layer fabric has been applied to the underbody of the vehicle to help insulate passengers from road noise and vibration.

NEXT IS A BIGGER PIECE OF THE SKY.

How a vehicle looks on the outside provides a window to its inherent nature. In sculpting the ZDX's exterior, a technique called "motion surfacing" was applied – treating the sheet metal as if it were a fluid medium. Every line creates a ripple effect with those around it. The wheels seem to be pushing up through the body. The cabin seems to be stretching from the base of the vehicle. Lines are pulled toward the rear like a slingshot at the moment before release.

To round out the ZDX's lavish interior cabin experience, look up. The panoramic glass roof gives both front and rear passengers abundant natural light, even with the UV-light-filtering sunshade closed. This feat of design required an innovative new "top-down" production step that allows the long glass panel to be lowered onto the frame from above. When you experience the sense of space the roof provides both front and rear passengers, you'll agree it was a step well worth taking.

NEXT IS MORE THAN AN ENGINE.

High-performance engineering is more than a means of filling horsepower-and-torque charts with big numbers. It's about producing efficient, flawless output and generating thrilling response across the entire power band.

At the heart of the ZDX's pulse-pounding drive is Acura's signature VTEC® technology and a 300-hp, 3.7-litre engine, which uses two separate cam profiles for a big boost of torque off the line and elevated horsepower down the road. With a cold-air induction system that packs in more oxygen for more powerful combustion at every stroke and its use of aluminum and magnesium for a lighter and more agile ride, you'll quickly appreciate the power of innovative thinking.

SH-AWD

NEXT IS CONFIDENCE IN THE CORNERS.

Driving the ZDX is a visceral experience. In addition to its all-weather capability, Acura's exclusive Super Handling All-Wheel Drive™ (SH-AWD®) technology enhances confidence through the curves. Sensing where extra torque is needed to keep you on your chosen line, it can send up to 100% of available rear power to the outside wheel, which is then rotated slightly faster. Together, these forces give the ZDX a big boost in turning power and more precise steering response.

For added control, the new 6-speed automatic transmission features a wider gear spread for both quicker acceleration and greater fuel efficiency. Plus, full manual control via steering wheel-mounted paddle shifters can skip gears when downshifting for spirited acceleration after a slowdown. It all makes the ZDX the ideal vehicle for quick getaways, regardless of what the road – or the weather – has in store.

In creating the ZDX's cockpit, the goal was to keep the design lines flowing and the technology discreet. The clean, minimalist central control panel, for example, provides a contrast to the richness of the surrounding leather. Along with steering wheel-mounted controls and voice recognition, it gives you intuitive and robust command of the ZDX's abundant technological amenities.

With an available navigation system, Bluetooth® wireless mobile phone interface, Acura/ELS Surround® Premium Audio System, 15 GB hard disk drive (HDD) storage and a body structure that encases the subwoofer for improved bass response, you've got a cockpit primed for maximum connectivity and arresting audio performance.

NEXT IS SAFETY THROUGH INNOVATION.

INSURANCE INSTITUTE
FOR HIGHWAY SAFETY

A first for Acura.
A first for anyone.
Acura was the industry's first luxury automotive manufacturer to have its entire 2009 model line-up receive a Top Safety Pick rating from the Insurance Institute for Highway Safety (IIHS).

AIRBAGS

Maximum safety is achieved with six airbags designed to protect all occupants inside the cabin. Depending on the point and force of impact, the ZDX will deploy dual-stage, dual-threshold front airbags (SRS) that activate at one of two rates depending on the severity of the impact; front side airbags with the innovative passenger-side Occupant Position Detection System (OPDS) that will not release if the system detects a child or small-sized passenger; and side curtain airbags with a state-of-the-art rollover sensor.

ACTIVE HEAD RESTRAINTS

The active front seat head restraints in the ZDX are designed to restrain head motion in the event of a rear impact and minimize neck injury.

ABS

The Anti-lock Braking System (ABS) helps maintain steering control when braking hard on wet, slippery or loose surfaces, while Electronic Brake Distribution (EBD) balances braking forces at each wheel to help compensate for cargo and passenger weight distribution inside the cabin.

TIRE PRESSURE

The ZDX's Tire Pressure Monitoring System (TPMS) continually monitors the air pressure in your tires. If pressure drops in any one, a warning appears on your instrument panel, indicating which tire requires attention.

ACE™ BODY STRUCTURE

The Advanced Compatibility Engineering™ (ACE) body structure utilizes a high-tensile, high-efficiency steel body structure to provide enhanced protection from a multi-directional collision. ACE reduces the force of a frontal impact by absorbing energy over a large area and dispersing it away from you and other occupants of the cabin. ACE is also designed to help reduce occupant injuries caused by misalignment in collisions between vehicles of different sizes.

REARVIEW CAMERA

ZDX Technology Package models feature a multi-view rear camera that shows a colour image of the area directly behind your vehicle on your navigation-system screen. Even if the navigation system is turned off, the camera is activated automatically when you engage reverse. And just to be safe, ZDX models without navigation systems feature a rearview mirror camera.

VEHICLE STABILITY ASSIST (VSA®)

The VSA system with Traction Control automatically detects and corrects understeer or oversteer situations, sometimes before you're aware there's a problem. The system intuitively analyzes the conditions and reduces throttle and/or applies braking to individual wheels. Should a loss of traction occur on a slippery surface, Traction Control will help compensate to get you underway safely.

ADVANCE YOUR ACURA, YOUR WAY.

- PROTECTION PACKAGE**
All-weather floor mats – black or grey
Cargo tray
- TOWING PACKAGE**
Trailer hitch and harness
Trailer hitch ball – 1 7/8" or 2"
- REMOTE ENGINE STARTER PACKAGE**

1. CARGO NET
2. CARGO TRAY
3. INTERIOR WOOD TRIM
4. CARGO COVER

U.S. model shown.

Make your Acura yours. Choose from an advanced array of Acura genuine accessories to get the style you want and the practical luxuries you'll wonder how you ever lived without.

ACCESSORIES AVAILABLE:

- 19" aluminum-alloy wheel
- 20" aluminum-alloy wheel
- All-weather floor mats – black or grey
- Ashtray – cup holder style
- Body side mouldings
- Cargo cover
- Cargo net
- Cargo tray
- Cigarette lighter
- Decklid spoiler
- Engine block heater
- Interior wood trim
- Locking wheel nuts
- Rear backup sensors
- Rear splash guards
- Remote engine starter
- Shift knob – wood (automatic transmission)
- Sport running boards – with LED lights
- Steering-wheel garnish – wood
- Trailer hitch and harness
- Trailer hitch ball – 1 7/8" or 2"

5. BODY SIDE MOULDINGS

6. SPORT RUNNING BOARDS – WITH LED LIGHTS

7. SHIFT KNOB – WOOD (AUTOMATIC TRANSMISSION)

8. STEERING-WHEEL GARNISH – WOOD

9. ALL-WEATHER FLOOR MATS – BLACK

10. REAR BACKUP SENSORS

11. DECKLID SPOILER

12. TRAILER HITCH AND HARNESS

13. REAR SPLASH GUARDS

14. 20" ALUMINUM-ALLOY WHEEL

This year marks Acura’s continued involvement with some of the world’s most premier events and organizations. From our supporting sponsorship of the Masters Golf Tournament to our participation in the American Le Mans Series, Acura is proud of the role we play, drive and advance in North America.

Driving a luxury vehicle should go beyond engineering and amenities. That’s why Acura is committed to ensuring your ownership experience is equally luxurious. New Acura owners benefit from four-year 24-hour Roadside Assistance, which includes Dispatch Emergency Roadside Service, Emergency Lockout Service and Traffic Accident Services. See your Acura Retailer for details.

WARRANTY

Your new Acura vehicle comes with the following warranties: Major Component (Powertrain) – 5-year/100,000-km limited warranty • Vehicle – 4-year/80,000-km Distributor’s limited warranty • Rust Perforation – 5-year unlimited-distance warranty • Surface Corrosion – 4-year/80,000-km • Accessories – 4-year/80,000-km limited warranty (when installed by an authorized Acura Retailer at time of new vehicle delivery). Regular maintenance items and parts are subject to normal wear and replacement, and are not covered by warranty. Certain other items are excluded and certain conditions apply. See your Acura Retailer for details.

ACURA PLUS

Extend your worry-free ownership experience by purchasing additional coverage. Choose from Acura’s flexible selection of Mechanical Coverage that extends up to 8 years or 200,000 km, whichever comes first. See your Acura Retailer for details.

LEASING AND FINANCING

Owning your Acura is easy. See your Acura Retailer for complete details on: Acura Leadership Leasing,* Acura Future Value Financing* and Conventional Financing.*

*A genuine service of Honda Financial Services. Conditions, restrictions and prepayment requirements might apply O.A.C. Acura Future Value Financing does not apply in the province of Quebec.

ENGINE	
Engine	3.7-litre, 24-valve, SOHC, VTEC® V-6
Horsepower	300 hp @ 6300 rpm
Torque	270 lb.-ft. @ 4500 rpm
Displacement	3664 cc
Bore and stroke	90 x 96 mm
Compression ratio	11.2:1
Emissions	Tier 2 Bin 5
Recommended fuel	Premium unleaded
Horsepower & Torque (SAE net, Rev. 08/04, SAE J1349)	

DRIVETRAIN	
6-speed automatic transmission with paddle shifters and Grade Logic Control	
Super Handling All-Wheel Drive™ (SH-AWD®)	
Towing capacity: 680 kg (1500 lb.)	

SAFETY	
4-wheel Anti-lock Braking System (ABS) with Electronic Brake Distribution (EBD)	
Active front seat head restraints	
Advanced Compatibility Engineering™ (ACE™) body structure	
Battery management system (BMS)	
Childproof rear door locks	
Co-operative Vehicle Stability Assist (VSA®) with Traction Control	
Dual-stage, dual-threshold front airbags (SRS)	
Front side airbags with passenger-side Occupant Position Detection System (OPDS)	
Hill Start Assist (HSA)	
Immobilizer Theft-Deterrent System	
Lower Anchors and Tethers for Children (LATCH) child-seat mounting system positions in 2nd row (3)	
Side curtain airbags with rollover sensor	
Tire Pressure Monitoring System (TPMS)	

CHASSIS	
19" aluminum-alloy wheels	
MacPherson strut front independent suspension	
Multi-link independent rear suspension with trailing arm	
Power-assisted, ventilated front disc/drum-in-disc rear brakes	
Tires: P255/50 R19 all-season	
Torque-sensing, variable power-assisted rack-and-pinion hydraulic power steering	

EXTERIOR	
Panoramic glass roof with power sunshade	
Body-coloured heated folding power-adjusting side mirrors with reverse gear tilt-down and integrated turn indicators	
High-Intensity Discharge (HID) headlamps	
Halogen high-beam headlamps	
Headlamps washers	
Fog lights	
Light-emitting diode (LED) taillamps	
Rear spoiler with integrated brakelight	
Dual-outlet exhaust	

CAPACITIES	
Cargo volume	745 litres
Cargo volume, with 2nd row folded	1580 litres
Fuel tank capacity	79.5 litres
Passenger volume	2582 litres

FUEL ECONOMY	
City	12.7 litres/100 km*
Highway	8.8 litres/100 km*

COMFORT & CONVENIENCE	
Active Noise Cancellation	
Automatic day/night rearview mirror	
Dual-zone automatic climate control system	
HandsFreeLink™-bilingual Bluetooth® wireless mobile phone interface	
HomeLink® remote system	
Maintenance Minder system	
Multi-Information Display (MID)	
Power tailgate	
Power tilt and telescoping steering column	
Rearview mirror camera	
Remote entry system	
Remote-linked 2-position memory system for driver's seat, steering column, side mirrors and climate control	
Steering wheel-mounted cruise controls	

ENTERTAINMENT	
253-watt audio system with 6-disc in-dash CD changer, AM/FM/XM®† tuner, MP3/Windows Media® Audio compatibility and 8 speakers including subwoofer	
Bluetooth® Audio	
MP3/auxiliary input jack	
USB device connector	

ACCESSORIES	
19" aluminum-alloy wheel	Interior wood trim
20" aluminum-alloy wheel	Locking wheel nuts
All-weather floor mats – black or grey	Rear backup sensors
Ashtray – cup holder style	Rear splash guards
Body side mouldings	Remote engine starter
Cargo cover	Shift knob – wood (automatic transmission)
Cargo net	Sport running boards – with LED lights
Cargo tray	Steering-wheel garnish – wood
Cigarette lighter	Trailer hitch and harness
Decklid spoiler	Trailer hitch ball – 1 7/8" or 2"
Engine block heater	

SEATING & TRIM	
60/40 split flat-folding 2nd-row seat	
Driver's seat with 10-way power adjustment including 2-way power lumbar support and 2-position memory	
Front passenger's seat with 8-way power adjustment	
Heated seats in 1st- and 2nd-row outboard positions	
Leather instrument panel and centre console	
Solid leather-trimmed interior	

EXTERIOR DIMENSIONS	
Curb weight	2013 kg
Height	1596 mm
Length	4887 mm
Overhang – front/rear	1090/1047 mm
Track – front/rear	1720/1719 mm
Turning diameter, curb to curb	5.7 m
Wheelbase	2750 mm
Width (including sideview mirrors)	2174 mm
Width (excluding sideview mirrors)	1993 mm

INTERIOR DIMENSIONS	
Headroom – front/rear	966/896 mm
Hip room – front/rear	1456/1404 mm
Legroom – front/rear	1083/790 mm
Shoulder room – front/rear	1516/1406 mm

TECHNOLOGY PACKAGE	
Adds to or replaces ZDX features	
Acura Navigation System with trilingual Voice Recognition™ and multi-view rear camera	
Acura/ELS Surround® 410-watt Premium Audio System with DVD-Audio, AM/FM/XM®† tuner, MP3/Windows Media® Audio compatibility, DTS®, Dolby® Pro Logic™ II, Song By Voice™ and 10 speakers including subwoofer	
1 CD changer with 15 GB hard disk drive (HDD) storage (navigation and audio)	
Curb weight: 2016 kg	
GPS-linked dual-zone automatic climate control system with sun positioning sensor	
Keyless Access System (smart entry and push-button ignition)	
Perforated Premium Milano leather-trimmed interior	

*Use kilometrage for comparison purposes only. Your kilometrage may vary.
†Includes a no-charge trial of 3 months, beyond which service fees apply. Available in 10 Canadian provinces and 48 contiguous U.S. states. See terms and conditions at www.xmradio.ca.
